Einstein accepted the Lorentz model as a heuristic guideline, yet he soon found that the task of finding a field equation was the most difficult challenge he had to face in his struggle to formulate a relativistic theory of gravitation. I then gave myself up for lost entirely, and expected every moment, when I heard a rustling among the trees, to be found out, and punished by my master: but they never discovered me, though they were often so near that I even heard their conjectures as they were looking about for me; and I now learned from them, that any attempt to return home would be hopeless.

Magician Arthur Atsma Arthur Atsma has been captivating audiences for more than

note: On a related issue, I'm very unconvinced by Kat's sudden about turn about her feelings towards her hometown. Great Britain be- came fearful of the safety of her communications with India and Egypt.
