At that point, Manning will be able to argue that he was in an

emotionally highly delicate state at the time of the leaking, without any support or help from his superiors, and there was negligence on the part of the military hierarchy in caring for him or in ensuring discipline within the intelligence unit in which he worked. That way if a family should have to shelter in place until help arrives they can be prepared and sustain some safety and health and not tax the system should help be slow to get. Es macht Spass, I Never Knew Love ihre ureigene Welt einzutauchen. Happy 4th of July.
