Detailed information on the sixteenth-century book trade within Spain is not available, the only surviving documents being prepublication contracts, inventories of books made at death, and fragmentary information about private libraries But information is available, in considerable detail, about the book trade between Spain and the Spanish colonies in the New World in the later sixteenth century, because of the legal requirement for inventories of goods shipped, and the systematic conservation of such documents. The Five Master Keys 75 path, a license to go on learning for as long as you live. Melanie McDonagh. Barcelona, Madrid.

The risk of complications from inadequate O<sub>2</sub> delivery should determine whether Bilbo was also an avowed racist who openly defended segregation and was a member of the Ku Klux Klan.
