The Time Machine

A white circle, with a hint of light blue or aqua, rising above a field of dark triangles will simultaneously display hope, danger and tension, especially if the background verges on a desaturated red, or perhaps a sickly yellow-green.

Fatou, Julia, Montel: The Great Prize of Mathematical Sciences of 1918, and Beyond (Lecture Notes in Mathematics)

As difficult as it is, we must all continue to hold hope that things will change for the better.

Relationship goals and modern women, from a Mans point of view.: Relationships, love, sex and happiness for modern women.

Madison declaring that it had the power to strike down laws that departed from those powers: "Should Congress, in the execution of its powers, adopt measures which are prohibited by the Constitution, or should Congress, under the pretext of executing its powers, pass laws for the accomplishment of objects not intrusted [sic] to the Government, it would become the painful duty of this tribunal, should a case requiring such a decision come before it, to say that such an act was not the law of the land. So I understand the desire for someone to be in charge.
